# VISION2035

SEE WHAT'S COMING. CREATE WHAT TRULY MATTERS.

## A PLACE LIKE NO OTHER

---

Necker Island.

A privilege to be here. A private island. A source of energy.  
A sanctuary for deep thought.

Sir Richard Branson's legendary retreat – a meeting point for world-changers, visionaries, entrepreneurs, and peacemakers. Here, the foundation of The Elders was laid, and the sanctuary of the Elders Temple was created to host gatherings: Desmond Tutu. Nelson Mandela. Jimmy Carter. They didn't come for an event. They came to shape the future. Not in meetings. But in moments that last forever.

**VISION2035**

SEE WHAT'S COMING.  
CREATE WHAT TRULY MATTERS.

# NOW, YOU STEP INTO THIS CIRCLE.

---

Together with forty extraordinary people from across the globe, ready to write history – their own, their families’, and their companies’.

Not to consume.  
But to create.

**Will you be a part of this movement?**

## MORE THAN A MASTERMIND

---

This is not a retreat. It's a **departure**. An **alliance**.

An exclusive future lab under the palms – for entrepreneurs, visionaries, creators, and family-driven leaders who understand: **The next decade won't be “business as usual.”**

That's why this calls for something different.

Far from the noise. Close to your essence.

**VISION2035**

SEE WHAT'S COMING.  
CREATE WHAT TRULY MATTERS.

# WHAT AWAITS YOU

## WHY NECKER ISLAND CHANGES EVERYTHING

---

It's more than turquoise waters, soft winds, and the freedom of barefoot luxury.

It's the **energy**.

The blend of wild nature, vibrant history, and an environment designed to expand your mind and open your heart.

Tennis in symbiosis with the ocean breeze.  
Feeding lemurs.  
Laughing with flamingos.  
Up-close moments with giant tortoises.  
Kite surfing.  
Barbecues under a blanket of stars.  
Deep conversations in the infinity pool.

# THIS IS WHERE TRUE CONNECTION HAPPENS

---

This is where **true connection** happens — because you're invited to be fully human, not just your title.

Do you want to experience how **lightness creates depth**?

## THE CIRCLE OF TRUST

---

In times when much around us is falling apart,  
something lasting is created here:

**Trust. Connection. Depth.**

Not through business cards.  
But through genuine encounters.

People who, in turbulent times, don't run from  
the storm – they navigate it.

For themselves.  
For their families.  
For a future that matters.

**VISION 2035.  
NECKER ISLAND.  
THE IGNITION.**

## **THIS IS YOUR MOMENT**

---

You don't want to wait for "someday" for the future to arrive?

Because the future doesn't just happen.  
It's **created**.

By people like you.  
At places like Necker.

With clarity. Joy. Courage.  
And the right people by your side.

## **ARE YOU READY TO TAKE THE FIRST STEP?**

---

[Speak with us](#) – personally, directly.  
Because what begins here can't be googled.  
It can only be experienced.

**Now is the moment.**

**VISION2035**

SEE WHAT'S COMING.  
CREATE WHAT TRULY MATTERS.

„Never doubt that a small group of thoughtful,  
committed, citizens can change the world.  
Indeed, it is the only thing that ever has.“
